

NURSERY CLASS

Lesson 3A: GOD MADE THE DRY LAND AND PLANTS

Scripture Basis: **Genesis 1:9-13**

Memory Verse: **Genesis 1:3**

"And God said, 'Let there be light!'"

Integrated Lesson: Recognizing the color **GREEN**.

TEACHING PLAN

- I. Opening Prayer
- II. Action Song – "Deep and Wide"
- III. Review of Previous Lessons

a. Creation Drill

On day one, God made day and night.

On day two, God made the sky.

On day three, God made the dry land and plants.

b. Memory Verse

c. Creation Songs

d. Shapes – Circle and Square

e.

IV. Bible Story

Hello kids! Can you still remember what God made on the first and second days of the creation story?

On day one, God made the light and it was good. He also separated the light from the darkness. Then He called the light day and the darkness He called night. On day two, God spread the sky wide above the ocean. He made the clean, blue sky.

Today, we are going to learn what God created on the third day. Can you guess what He made? Well, on day three, God gathered the water in one place and made the dry ground appear. He called the dry ground 'land' and the water He called 'seas'. God also folded the land to make hills and valleys. Not only that, He also covered the earth with plants: grasses and flowers, vegetables and trees—can you name some plants that you know?

God is so good to us. He gave us the plants like vegetables for us to eat. He also made the trees to give us shade when it is hot and to give us fresh air for us to breathe.

V. Discussion

- | | |
|--|---|
| a. What did God make on the third day of the creation story? | DRY LAND and PLANTS |
| b. Can you name some landforms that you know? | Hills, valleys, mountains, plains |
| c. What kinds of plants covered the earth? | Grasses, flowers, vegetables and trees |
| d. What is the plants' color? | GREEN |
| e. What kind of plants can we eat? | Vegetables |
| f. What kind of plants can give us fresh air? | Trees |

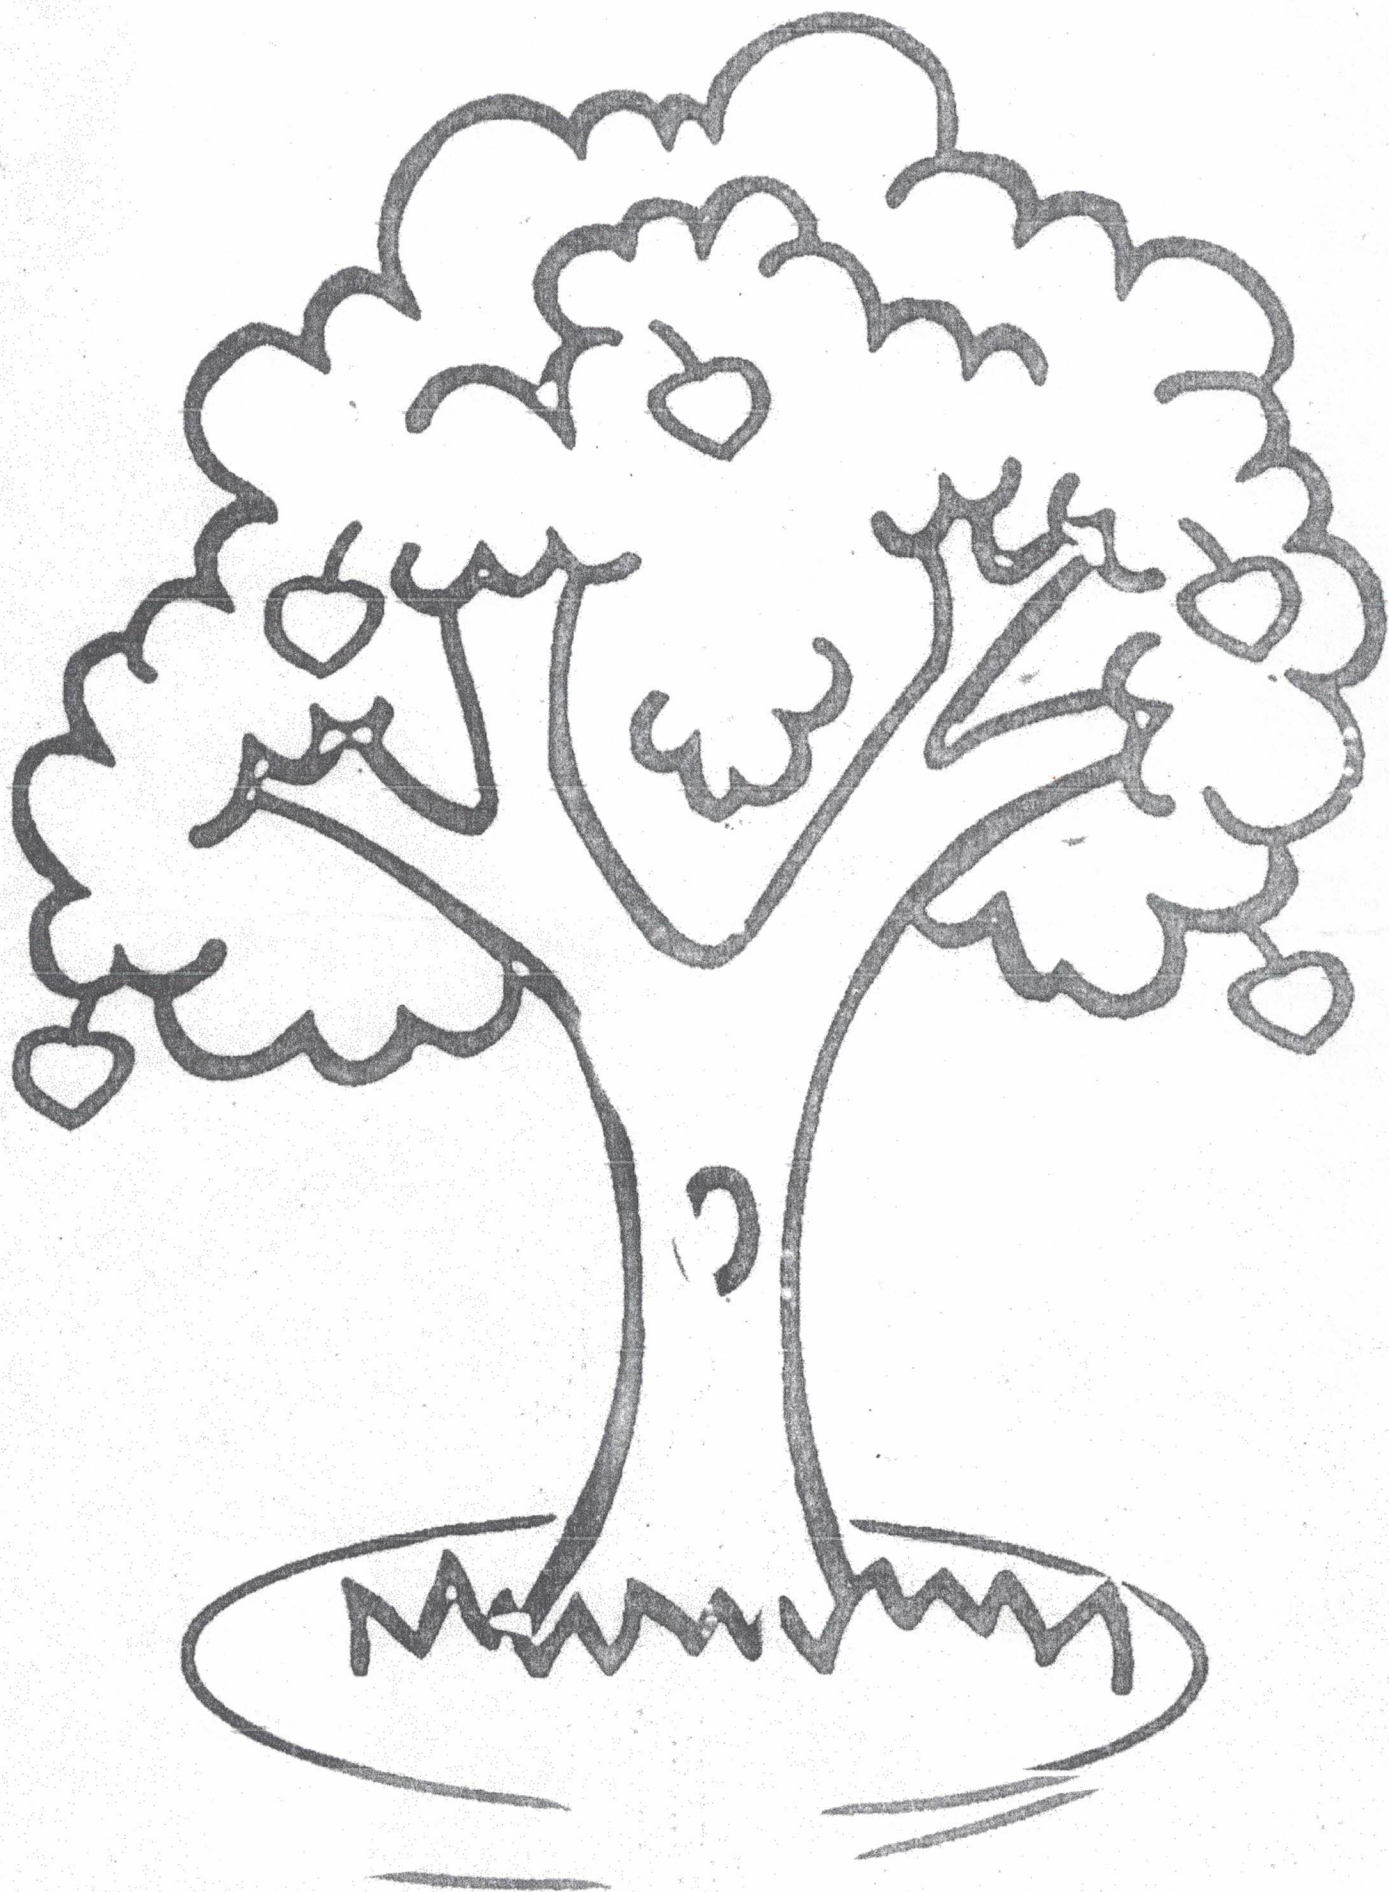

VI. Snacks, Prayer, Song

VII. Activity

- a. Leaf Rubbing or Coloring Sheet
 - i. Prepare the following:
 - Different leaves with different sizes and shapes
 - Green crayons
 - Bond papers
- b. Play Time
- c. Book Reading

VIII. Closing Prayer and Review

Lesson 3B: Learning the TRIANGLE shape.

Land

Trees and plants
