Integrated Lesson: Review of different colors learned: Yellow, Black, Blue and Green

### TEACHING PLAN

#### I. Opening Prayer

#### II. Theme Song: "And God said, Let there be light!" Genesis 1:3

#### III. Previous Lessons Review

##### a. Creation Drill / Creation Songs

On day one, God made day and night.

On day two, God made the sky.

On day three, God made the dry land and plants.

On day four, God made the sun, moon and the stars.

##### b. Shapes – Circle, Square and Triangle

#### IV. Bible Story

God is really good to us. He made the light, the day and night, the sky, the dry land and the plants. What else do you think is missing? On the fourth day of the creation story, God made the sun, moon and the stars. We can see the sun shining during the day while the moon and stars during the night. And God saw that it was good. God is really powerful and creative.
