III. Bible Story

Read Genesis 1:24-31 aloud to the children. There is also a book that you can read to them so they can see different pictures of birds and fish.

On the sixth day of the creation story, God made the animals and man. Animals leaped and ran and scurried and hurried all over the land. They made themselves homes in holes and burrows and nests and dens. Then God made people—man and woman. "Welcome," said God. "You are my friends, and I want you to be safe and happy. Take care of the good world I have made for you. Be fruitful and multiply and fill the earth." The name of the man was Adam and he named the woman Eve. God is really good. He made our wonderful and colorful world for us to live in.
