I clap my hands, and stomp my feet...

because, I love the way God made me...

I move my head and shake my knees...

because I love the way that God made me...

I wake up in the morning and wiggle my toes...

I stretch my arms and scratch my nose...

So... I clap my hands.....

 I love the way that God made me

Memory Verse: Psalm 139: 14

" I praise You because I am wonderfully made."

Intro Illustration: show video of doll making after the vid... say to the kids that...

God delights in you  
because He loves you  
and He created you  
wonderfully! You, each  
one of you is created by God! You  
were not an accident, He designed  
you to be you and He knows you.  
Did you know that God knows you?  
(give them time to answer).

**Short Bible Story:** God tells Jeremiah... Jeremiah 1:5

**Discussion:** Isn't it just wonderful(kahanga-hanga.. ang galing ng Lord talaga!) that even in his mama's tummy-- God knew Jeremiah already! God has assigned a work for him to do when he is to be born. And when he grows up God said he will be a prophet for the nations. He will speak about God to many people.

**Life Application:** Just like you and me, God chose us to do God's work. For me.., God made me to teach you about God and His word-- the Bible!

**Closing Activity:** Sing: "I love the way God made me" with action
