Our GOD is so wise that HE gave us mouth not just for eating the food we need to grow well but also a mouth that enables us to articulate the words and letters

(explain about the consonants t, d, l and r)

So you see children, our mouth is very important. We cannot speak without our mouths. But since GOD designed us to have a mouth for speaking, GOD must hear words from our mouth that are pleasing to His ears. We must speak words that are good. We must not boast (bragging words); we must not lie; or say hurting words to others.

Bible Story: The Building of the Tower of Babel
