God wants us to be obedient. HE wants us to listen to HIM only. If we do not listen to GOD, we will get far away from God.

When Adam and Eve sinned in the garden of Eden, they were not allowed to stay in that beautiful garden anymore. an ANGEL with flaming sword guarded the garden. Adam and Eve could no longer live there.

But God is a good God. He promised that He will send angels to guard us. (Psalms 91:11-12)
