Materials to prepare: Letter C for the name:

--- Candace; a crown (to be placed or posted while telling the first part of the story); a cart; & a Bible

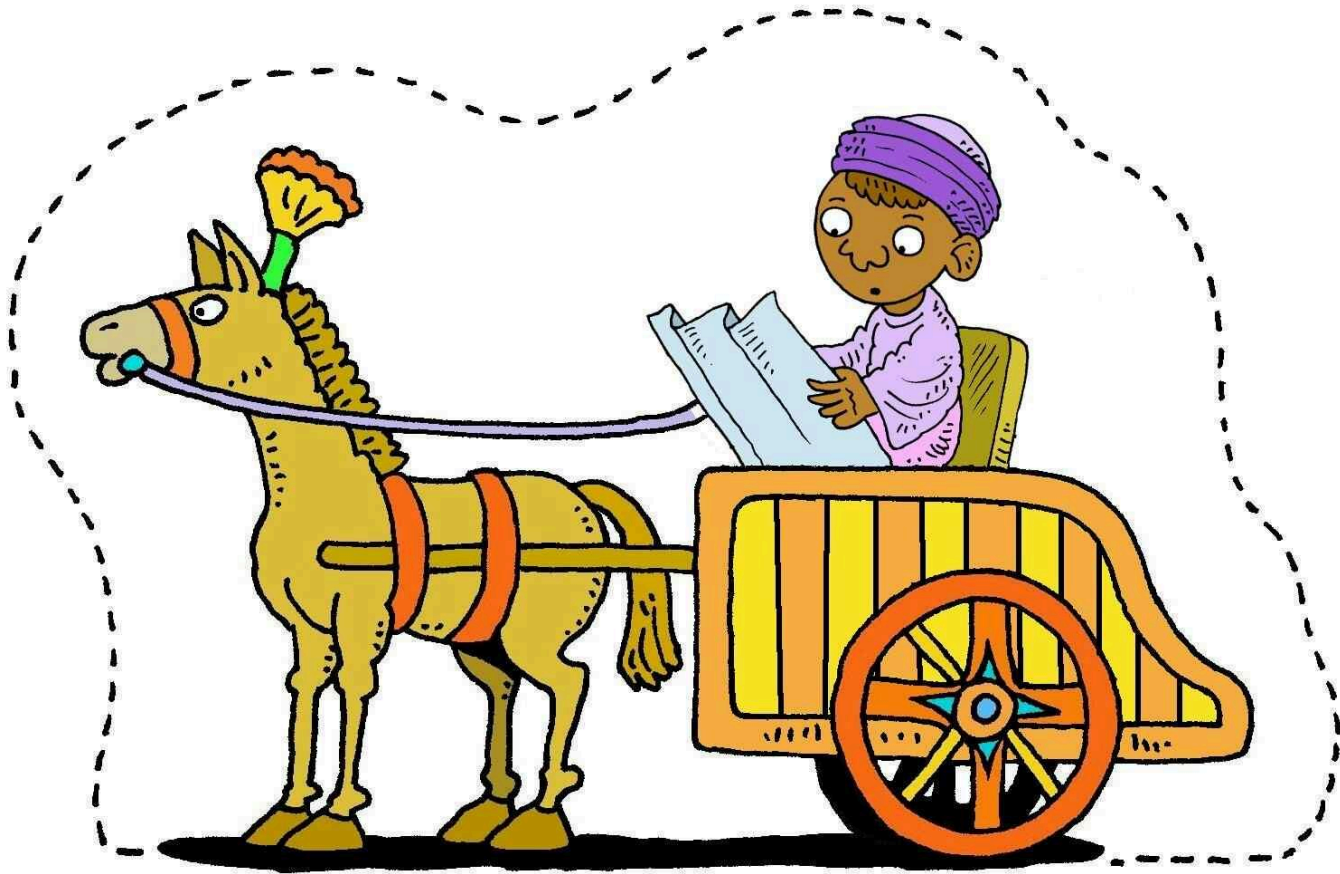

Here is the first part of the story: Tell...

"In our Bible(Acts 8) there was a servant(point in the picture) of a queen named CANDACE of Ethiopia. Because she is a queen she wears a CROWN.

Picture2: The servant aboard a cart-(colorful please)

Tell: "Candace's servant always visit Jerusalem to worship God.
He rides a CART in going there. The cart was usually driven with horses.
The CART must be fast!"

Picture3 : Philip meeting the servant...

Tell: "Stop the cart! The servant told the cart driver. There's a man stopping us!"

Philip asked Candace's servant, " Do you want to understand what was written there?(point to the scroll)

Candace's servant said , Yes please help me to understand this. And Philip explained to Him and understood the words written there. Then he stopped the CART and believed our God.

Application of Bible Truth:

Teacher: Kids it is good to tell others about God. It is good to know what God is saying to us through His Word(Bible)

*Identifying objects which begin w/the letter C - in our picture stories.

Ask the children to point the ff:

- What is the name of the queen? CANDACE... help the kids to pronounce the name.
"K" C as in Candace(Kandis)

Then... C as in crown ..., c as in cart.

Enrichment: make colorful Cart..or complete the Cart by adding wheels & horses(your option)

Find and mark the object that begins with “C”

Memory Verse (Part 2)

*What to do...

[Teacher goes to the other side of the room where hanging letters were displayed.]

Say: Children, do you know that we can be like the servant of Candace who wanted to understand important words.

Today, let's study some important words that we may call our memory verse.

(There must be ready letters in your hand similar to the letters you will use or act as if you are getting the letter to complete your MV)

(As you get the letters to form Psalms 119:105)

Say: When we get these letters and group them together we complete a word

Let's get... Y.. o... u ... & r! Put them together.. we have the word "Your!"

Then W.., O...R...D (image of an open Bible same size as the letters) we have "Word!"

..... until you completed " Your WoRD is a LAMP to GUIDE my FEET."
