Introducing the New Lesson:

“Hello kids! Look at this item” (*shows a picture of something that is related to illness or medication*) Ask them what they are and then ask the following questions, “Who takes care of you when you are sick or hurt? What kinds of things help you to feel better?” Let them speak, and remind the kids that while band-aids and medications may aid in our recovery, God is ultimately responsible for our healing.

Presentation of the Bible Story:

Kids, This is King Hezekiah, King Hezekiah was a very good king. He prayed to God often, and he always obeyed God. One day, King Hezekiah got very sick. The prophet Isaiah came to him and said, “Hezekiah, God says that you’re not going to get better. You’re going to die.” Then, Isaiah walked back out of King Hezekiah’s palace.

Hezekiah was very sad, so he prayed to God. He said, “God, remember that I believe in You and that I always do the right things that you want me to do. Please help me to get better and let me live a little while longer.”

God did heal Hezekiah. Isaiah was still walking out of the palace when God told him to go back to King Hezekiah. God said, “Tell Hezekiah that I have heard his prayer and that I will heal him and let him live for another 15 years.”

Toddler’s Class:

Kids, today we are going to learn about HEZEKIAH — HEH · ZUH · KAI · UH (Please pronounce Hezekiah’s name slowly so the pupils can follow). This is HEZEKIAH. Hezekiah was a good king who always obeyed and loved God.

One day, Hezekiah became very sick. Look at him! Oh no...he has become weak! But then God’s prophet went to Hezekiah and told him he would not get better anymore. Hezekiah became very sad, so he prayed to God. Hezekiah told God that he loved him and asked God to heal him.

Kids, what do you think happened next? God heard Hezekiah’s prayer! So God’s prophet told Hezekiah that he would not be sick anymore because God would heal him! So Hezekiah became very happy!

Life Application:

When we pray earnestly for ourselves and loved ones, God will hear your prayer and He will heal you and your loved ones. Kids, that's why we need to trust the Lord and know that He is always faithful. Remember, kids, that God is our Healer!

Toddler's Class:

God always hears our prayers. We can talk to God at any time—when we're happy, sad, want to thank Him, ask Him for something, or even if we're sick! Like King Hezekiah, God listened to his prayer because he trusted God! That's why we must always trust God and remember that God is our Healer!

Evaluation: Ask questions based on the objectives given.

1. Who is our Healer? [God!](#)
2. The word "Heal" begins with what letter? [Letter H!](#)
3. What is our memory verse?

Enrichment Activity:**Suggestions for Beginner's Class:**

It is encouraged that the assistant will create/suggest the craft and activity to be used in class.
